CELA

Christal,

As to this complaint, ALFE was invited to speak about our efforts to help inner city people to move into business ownership and to stimulate the economy. The date of the event we spoke and not \$1 was spent or given to the Trump Campaign. Julie Heller mentioned in the complaint was a volunteer with the Va Trump team at the time of event and no paid staff were present. The event was to promote conservative ideals and to make people aware of the work ALFE has done.

Please feel free to contact me if you need more info.

Thanks,

Bryan Crosswhite
